

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Comfort Holds in Paediatrics - An alternative to restraint

Presenter Brooke Batchelor

Director of The Paediatric Nurse

In this session you will:

- Gain an understanding of the differences between restraint and comfort holding
- Acquire knowledge regarding the long-term effects that restraint during medical procedures can have on a child
- Receive information regarding how to include the caregivers in the preparation for a comfort hold
- Gain an awareness of what constitutes a comfort hold

Completed on

23 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this webinar, you will learn why it is important to ensure that paediatric patients are not restrained and what to do instead.

Cheryl Dezotti

Director of the Nursing CPD Institute
