CALEB FELLOWES

has participated in the following education session:

Bringing Puppets to Life - putting theory into practice

Presenter Dr Judi Parson

Lecturer in Mental Health of School of Health and Social Development Deakin
University

In this session you will:

- Gain an understanding of medical play therapy as psycho-education e.g. teaching children about needles
- Explore play deficit and using puppets to learn how to play
- Investigate humanistic play therapy to understand and respond to the child
- Reflect on how you could use play therapy in your own clinical practice [Click here for printable instructions on how to attend a live webinar](#)

Completed on

11 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

In this presentation, we will expand on her previous discussion on the field of medical play therapy and begin to explore how the theory that underpins play therapy can be put into practice in the clinical paediatric setting.
