

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:
Antibiotics: Considerations for Client Education

Presenter The Nursing CPD Institute

At the end of this session you will:

- Identify factors that underpin client demand
- Relate known risks of resistance to research
- Structure client education to relate research findings
- Promote knowledge about best practice for antibiotic usage

Completed on

27 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

We understand misuse of antibiotics leads to resistance and that this is a serious issue. The short articles have helped me with structuring patient education information through the application of current research findings.
