

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:
Competency Drug Calculations: Fluid Medications

Presenter The Nursing CPD Institute

In this session you will

- Perform ten calculations to check your calculation accuracy
- Gain information regarding the principles for consistent medication prescribing
- Review acceptable medication terms and abbreviations for Australia
- Become familiar with error-prone abbreviations, symbols and dose designations for medications that should be avoided

Completed on

03 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Nurses need to be confident in calculating fluid medications as even minor calculation errors can result in serious adverse effects to patients.

Cheryl Dezotti

Director of the Nursing CPD Institute
