

# *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

## **Leech Therapy in Digital Replantation**

Presenter Candice Markovican

Clinical Nurse Specialist/Facilitator of Royal Children's Hospital Melbourne

In this session you will:

- Gain knowledge regarding digital replantation/revascularisation
- Gain an understanding of the complications and management of digital replantation / revascularisation
- Attain knowledge regarding chemical and medicinal leeching and the associated contraindications and disadvantages
- Gain an understanding of the nursing care including observations, application and care of the leeches and ceasing therapy

Completed on

**21 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

### REFLECTION:

In this session, we will provide an overview of Digital Replantation and then discuss how Leech Therapy is used in the process. The nursing care required to support the patient will be discussed with specific nursing strategies identified.
