

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Detecting Deterioration Evaluation Treatment and Escalating Concern in Teams (DETECT) & Between the Flags

Presenter The Nursing CPD Institute

In this session you will:

- Gain an understanding of the background reasons for the creation of the Detecting Deterioration Evaluation Treatment and Escalating Concern in Teams (DETECT) program
- Learn the key elements of the program
- Receive knowledge regarding when to take action for a patient showing signs of clinical deterioration
- Gain knowledge regarding DETECT

Completed on

27 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

Nurses are required to recognise the signs of clinical deterioration. The Between the Flags Program addresses a key clinical risk that has been demonstrated by data derived from the NSW Patient Safety and Clinical Quality Program and which was the subject of a key recommendation in the Garling Commission Report. This is the failure to recognise and manage deteriorating patients within acute care facilities. This problem affects health systems around the world.

Cheryl Dezotti

Director of the Nursing CPD Institute
