

Certificate of Completion

THIS CERTIFIES THAT
CALEB FELLOWES

has participated in the following education session:

Family Violence for Clinical Practice

Presenter The Nurses for Nurses Network

In this session, you will:

Explore the myths associated with family violence Discover the current statistics of family violence in Australia Gain an understanding of how family violence affects the victim Learn how nurses can play a vital role in family violence prevention and safety

Completed on

21 April 2019 (duration of 1 hour/s)

This equates to 1 CPD Hour/s (Continuing Professional Development)

REFLECTION:

With the research showing that healthcare professionals are the most likely to hear a disclosure of family violence, it is important that one is made aware of the unique needs of such clients. Learning how best to support these families enables the nurse to ensure the safety of all involved and the appropriateness of various support systems.
