

# *Certificate of Completion*

THIS CERTIFIES THAT  
***CALEB FELLOWES***

has participated in the following education session:

## **Paediatric Medication Calculations**

Presenter Brooke Batchelor

Director of The Paediatric Nurse

In this session you will:

- Revise basic medication calculations;
- Learn how to calculate a child's dose based on their weight;
- Learn how to calculate syrup based medications with ease; and,
- Learn how to prepare paediatric IV medications confidently

Completed on

**17 April 2019 (duration of 1 hour/s)**

**This equates to 1 CPD Hour/s (Continuing Professional Development)**

### REFLECTION:

In this session, Brooke will begin with the basics of medication calculations before moving onto the more complex paediatric medications involving dose calculations using weight, syrup based medications and IV medication calculations.
